И. Марков «Красавица Зима»
Группа «Ромашка»

The background is a vibrant blue gradient. It features several large, intricate white snowflake patterns. Scattered throughout are small white stars and blue spheres of various sizes. Two large Christmas ornaments are suspended in the center: a teal one with white snowflake designs and a white one with black snowflake designs. The bottom of the image shows stylized white and blue wavy lines representing snow or ice, with small black silhouettes of evergreen trees and a blue sphere.
